

Events Tactical Support

Role Description – Event Tactical Officer

Role Number – ETS1

Line Manager – Tactical Support Manager

The role is to provide tactical support to stewarding operations within the G4S Events arena working with partners such as Police or stand alone. The duties will be carried out through a memorandum of understanding under a specific remit identified by the client.

The Event Tactical Support is an evolving team and the skills and responsibilities will increase as the team progresses in the Event arena.

Basic Skill Base

- SIA Level 2 Door Supervisors licence (provided by G4S)
- Trained in Evidence Handling and continuity
- Trained in G4S personal and vehicle search

Role Responsibility

- Provide an enhanced link from G4S events to clients and enable the company to undertake roles previously carried out by law enforcement authorities.
- Provide Evidence Handling and continuity to stewarding operations in the G4S events arena
- Provide personal and vehicle search capability
- Provide evidence handling and continuity in respect of any criminal offences e.g. Drugs and assaults
- Provide initial crime scene preservation capability
- Provide effective and documented ejection procedure and administration at G4S events.
- Provide plain clothes or uniformed offender targeting proactive capability
- Provide CCTV targeting coordination capability at G4S events
- Provide uniform patrol capability in conjunction with law enforcement partners or stand alone
