CIRCULAR NO 47/08

To: All Branch Secretaries
NEC Members

10th November 2008

Dear Colleague,

I write to inform you that the annual percentage pension increase for 2009 has been confirmed as 5.0% (RPI).

When the NEC met in Stourport-on-Severn on the 7th November it was agreed to seek a rise in subscriptions of .84p a year. As from the 1st January 2009 the annual subscription will be £16.92, this amounts to £1.41 per month.

As stated in my circular 37/07 the figure brought forward and used to calculate the rate for 2009 is £16.17 - see below:

B/fwds from 2008	16.17
Apply 5.0%	<u>.81</u>
	16.98

The figure of £16.98 has been rounded down to £16.92 which is divisible by 12 and amounts to £1.41 per month. This increase equates to 7p a month or 84p a year.

Your precept rate, which is currently 40%, is payable on FULL, ASSOCIATE, HONORARY and LIFE MEMBERS.

This breaks down as : Precept £6.77 (was £6.43) - Branch £10.15 (was £9.65) - total subscription £16.92 (was £16.08).

The figure of £16.98 will be the figure used to calculate the 2010 increase. In respect of the year-end and your branch membership numbers, you will have recently received a full listing which we respectfully ask you to compare with your own records and inform any differences as quickly as possible.

THE MEMBERSHIP FIGURES RECORDED AT THE END OF DECEMBER 2008 WILL BE THE FIGURES USED TO CALCULATE YOUR PRECEPT FOR 2009.

Please continue to direct your database amendments/queries to the office in the normal manner and not to me personally.

I would like to thank you for your support and assistance over the past year and look forward to working together in 2009.

Yours sincerely,

Mrs Sue Ward

Financial Controller
